Shaman's Hut

**Shaman's Hut** is a small house in the Skaal Village belonging to Korst Wind-Eye, who can be found residing inside. The house itself is found in the western section of the village, next to Lassnr's House and Erna the Quiet's House.

## Interior

To the right of the entrance, there's a table with a Journeyman's Mortar and Pestle, a chokeweed, a fire petal, and a gold kanet. Next to the table is a basket containing one item of leveled random food. The book *The Five Far Stars*, can be found on a ledge above the table.

To the left of the entrance, there are two benches and a barrel containing 20 leveled random ingredients.

At the back of the house, there's a bedroll, a bottle of greef near the bedroll, a fireplace that has a piece of bread on it, and some clutter.

On the rafters of the house, there is a hidden small chest that contains 10 leveled random ingredients.
